

## Marker-Tape

### Beschreibung

Die Sorte 845 besteht aus einer Hart-PVC-Folie, die einseitig mit einem stark klebenden Naturkautschukkleber beschichtet ist.

### Anwendung

Die Sorte 845 wird zum Markieren von Kabeln entsprechend ihrer Länge eingesetzt.

### Product Description

Type 845 consists of a HD-PVC-foil coated single sided with a high adhesion natural rubber glue.

### Application

Type 845 is used for marking cables according to their length.

### Technische Daten

|                         |                             |
|-------------------------|-----------------------------|
| Träger                  | Hart-PVC-Folie              |
| Gesamtdicke             | 55 µ                        |
| Dehnung bis Bruch       | 100 %                       |
| Klebkraft auf Stahl     | 2 N/cm                      |
| Zugfestigkeit           | 40 N/cm                     |
| Klebstoff               | Naturkautschuk              |
| Temperaturbeständigkeit | bis 70° C                   |
| Kerndurchmesser         | 76 mm                       |
| Farbe                   | weiß, gelb, grün, rot, blau |
| Länge                   | 33 m                        |

### Technical Data

|                        |                                 |
|------------------------|---------------------------------|
| Backing                | HD-PVC-foil                     |
| Total thickness        | 55 µ                            |
| Elongation at break    | 100 %                           |
| Adhesion on steel      | 2 N/cm                          |
| Tensile strength       | 40 N/cm                         |
| Adhesive               | natural rubber                  |
| Temperature resistance | up to 70° C                     |
| Core diameter          | 76 mm                           |
| Colour                 | white, yellow, green, red, blue |
| Length                 | 33 m                            |

### Verpackungseinheiten

| Bandbreite in mm | Rollen pro Karton |
|------------------|-------------------|
| 25               | 12                |

### Packaging

| Roll width mm | Rolls per carton |
|---------------|------------------|
| 25            | 12               |
